

**RFP # 10404729**  
**Pearblossom Solar Project**  
**Addendum #2**

**The first paragraph in Section 4.3 is replaced with the following:**

“The contract capacity and the Project nameplate rating shall be 9.5 MWac.”

**Section 6.0 (iii) is replaced with the following:**

“proof of CDWR as an additional named beneficiary under such policies, as applicable.”

**Section 6.0 (e) is replaced with the following:**

“Professional Liability – Selected Proposer shall maintain professional liability coverage with limits not less than one million dollars (\$1,000,000) each incident and two million dollars (\$2,000,000) in aggregate.”

**The first three paragraphs in Section 7.2 are replaced with the following:**

“Access to the Licensed Area shall be at PBPP’s main entrance on 116th Street East, approximately 0.2 miles north of Highway 138.

The selected Proposer shall provide a list of all employees and subcontractors to CDWR on a weekly basis or earlier if changes occur during the week. CDWR shall check all of selected Proposer’s employees and subcontractors in and out of the main entrance each day. Only those personnel on the list shall be allowed into the Licensed Area. Any selected Proposer personnel found outside of the Licensed Area without cause shall be expelled from CDWR’s property and prohibited from reentering the Licensed Area during the pre-COD term.

Work hours shall be 6 AM to 4 PM PPT Monday through Friday. Request for weekend or holiday work shall be submitted for approval seven (7) business days prior.

The selected Proposer shall notify the Pearblossom Pumping Plant Area Control Center regarding any security, safety, or emergency issues. In case of emergency, the selected Proposer shall follow all of CDWR’s security directions, to be provided.

The selected Proposer shall schedule material deliveries only on weekdays between 8 AM and 3 PM PPT and shall provide CDWR with a minimum one (1) business day prior notice of delivery schedule.”

**The first sentence in the third paragraph in Section 8.0 is replaced with the following:**

“The selected Proposer shall be responsible for procuring, building, installing, and testing those portions of the Project that are listed as the responsibility of the Interconnection Customer in the GIA.”

**Sections 12.2.2 is replaced with the following:**

“In Phase Two, CDWR shall review proposal information from Attachment 9 and may disqualify proposals that do not meet the RFP minimum technical and operational requirements.”
